Hitting or Pitching. If you are looking for a group lesson, then you would click on that class. Group Lessons are for students who have taken lessons with Diamond Dominators Fastpitch or the class has been set up for specific organizations.

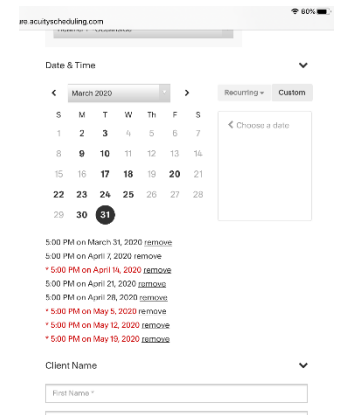

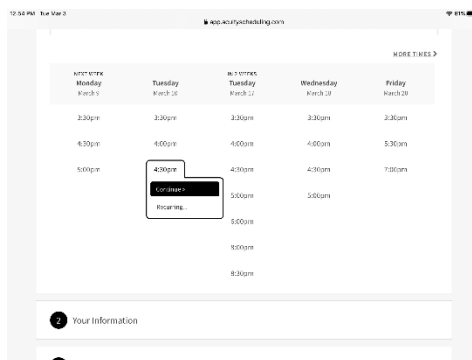

Click on the facility you would like to travel to.

You will see all the times that are available for that week, if you click on the arrow for "more times" it will take you to the following week. Click on the work continue. If you click on

reoccurring it will book multiple spots for you at the same time on the same day up to 8 sessions.

WARNING**** if you select this option you must double check the appointments. Someone else may have already booked that time later in the month. So, it will not schedule all the dates. It will show in red and tell you it wasn't available.

Remember each time slot is for only a half hour, you will need to book another slot back to back to get an hour lesson scheduled.
